

## HEALTH PLAN AGREEMENT

At Twin Peaks Veterinary Clinic, we are happy to offer the choice of two Health Plans for your dog or cat. A Health Plan is for only one dog or one cat per plan. This contract outlines the agreement between Twin Peaks Veterinary Clinic and the signing owner for one specific pet. **Health Plan Descriptions**

**Health Plan \$30/50% (dogs) or \$25/50% (cats):**

- Includes a 50% discount on Discounted Services as described above
- The Annual Participation Charge is \$360 (dogs) or \$300 (cats) per year.
- The Annual Participation Charge may be paid monthly at \$30 (dogs) or \$25 (cats)
- A down payment of \$120 toward the Annual Participation Charge is due at signing for pets signing up for the first time on any Twin Peaks Health Plan. This down payment reduces the monthly payment by \$10 per month for the remainder of the first plan year.

**Health Plan \$50/90% (dogs) or \$45/90% (cats):**

- Includes a 50% discount on Discounted Services as described above for the first 30 days of the Health Plan unless the pet is renewing from another Health Plan (If renewing from another Health Plan, the discount is 90%). After the first 30 days, the discount on Discounted Services is 90%.
- Out-of-Pocket-Max \$500: Once \$500 of Discounted Services has been paid in one plan year, the discount on Discounted Services is 100%. This only applies to Discounted Services as described above and does not apply to Office Visit charges or plan payments. This Health Plan is the only plan that includes an Out-of-Pocket-Max. Note that all Discounted Services in the first 30 days of this plan do not contribute to the Out-of-Pocket-Max for New plans only.
- The Annual Participation Charge is \$600 (dogs) or \$540 (cats) per year.
- The Annual Participation Charge may be paid monthly at \$50 (dogs) or \$45 (cats)
- A down payment of \$120 toward the Annual Participation Charge is due at signing for pets signing up for the first time on any Twin Peaks Health Plan. This down payment reduces the monthly payment by \$10 per month for the remainder of the first plan year.

### **Eligibility Requirements**

In order to sign up or re-sign up a pet on a Health Plan, all of the client's accounts must be in good standing. Additionally, a pet must meet waiting period requirements as described below.

### **Payment Options**

The Annual Participation Charge can be paid using the options selected below. Payment method may be changed upon client request.

Payment of the Annual Participation Charge (first month's payment with a down payment or lump sum payment, depending on selected payment option) is due on the day of enrollment and is in addition to the Office Visit Charge associated with the visit.

Office Visit Charges will be paid by the client to the clinic at the time of service and may differ from the payment method used to pay the Annual Participation Charge.

Twin Peaks reserves the right to require the Annual Participation Charge to be paid as a lump sum payment for any reason.

### **Renewal**

The Health Plan agreement is for one year and will automatically renew on the anniversary date of the original enrollment. We reserve the right to change the terms and conditions of the Health Plan at renewal. If changes are made, your Health Plan will renew to the most current Health Plan contract. You can view your renewal contract on our website (TwinPeaksVetClinic.Com) at least two months before your renewal date. The password to access the secured document is "TwinPeaks". Upon automatic renewal, payments will continue in the same manner as was previously established (i.e. monthly payments or full year lump sum) and will access funds from the same account, unless otherwise specified. Puppies/kittens will renew to adult-pet terms and conditions at renewal. Health Plans set up on lower monthly payments during the first year (due to a down payment) will renew to the full-price monthly payment associated with that Health Plan at renewal.

Clients who do not want a Health Plan to renew, would like to change to a different Health Plan, or would like to change from annual or monthly payments should contact the clinic 30 days prior to the renewal date.

### **Not Transferable**

Health Plans may not be transferred to any other pet or client. If a pet changes owners, then the owner that signed up on the Health Plan remains responsible for payment of the Annual Participation Charge.

### **Cancellation or Death**

In the event of death, euthanasia, or early cancellation, the client is responsible for their remaining Health Plan balance. If the Annual Participation Charge was paid in monthly installments, the client may either continue with the monthly payments until the end of the contract year or pay the remainder in one lump sum.

### **Waiting Period**

Once any Health Plan is cancelled or not renewed, there is a mandatory one-year waiting period before that owner/household may sign up that pet on a Health Plan again. During that waiting period, that client will pay retail prices for services performed on that pet.

### **Declined/Missed Payments or Office Visit Charges**

**Fees:** For each missed or declined payment or Office Visit Charge, the client will incur a \$30.00 fee from Twin Peaks. Additionally, the client will be responsible for any fees (such as insufficient funds charges) incurred by Twin Peaks as a result of declined payments.

**Health Plan Services Available:** Services will not be performed on the Health Plan until all of the client's accounts for all of their pets at Twin Peaks are brought up to date. This includes the payment of missed payments or Office Visit Charges, declined payments, and fees as outlined above.

**Health Plan Cancellation:** In the event of a missed or declined payment or Office Visit Charge, the client will be notified. The client will have 60 days from the date the payment was due to bring the account up to date. This includes the payment of missed payments, declined payments, and fees as previously outlined. If the account is not current after 60 days, the Health Plan for that pet will be cancelled and will be subject to the policies regarding early cancellation as outlined in this contract.

**Collections:** If the account is not current 90 days from the date the payment or Office Visit Charge was due, the remaining account balance will be sent to collections.

### **Aggressive/Dangerous Pets**

At the discretion of the veterinarians, Twin Peaks reserves the right not to see, treat, or care for dangerous or aggressive pets.

**Agreement**

I agree to enroll my pet in the Twin Peaks Veterinary Clinic Health Plan, and to pay the cost according to the options checked below. I understand that Twin Peaks Veterinary Clinic will use its best efforts, according to the standards of veterinary practice to treat my pet, but that there is no guarantee of any particular outcome.
