Upgrading to a Dental Enhanced Health Plan

Clients who are current on all accounts with Twin Peaks Veterinary Clinic are eligible to upgrade a Health Plan to a Dental Enhanced Health Plan at any time.

The Upgrade process will be as follows:

- The current Health Plan will be terminated, and payments made towards unused time on that Health Plan will be refunded at a pro-rated daily rate.
- A new Dental-Enhanced Health Plan will begin on the date of upgrade, and payments will be assessed according to terms on the new contract.
- A Dental Enhanced Health Plan is valid for one year and cannot be converted to a NON-Dental Enhanced Health Plan during that year.

Eligibility Requirements

In order to sign up or re-sign up a pet on a Health Plan, all of the client's accounts must be in good standing. Additionally, a pet must meet waiting period, pre-existing condition, and health-condition exclusion requirements as described below.

Payment Terms

The Annual Participation Charge can be paid annually in a single lump sum or monthly in 12 recurring payments on a specific Billing Day. Twin Peaks reserves the right to require the Annual Participation Charge to be paid as a lump sum payment for any reason.

If monthly is selected, then a \$60 Down Payment will be required for pets who have not been on a Health Plan for 6 months or more. The Down Payment will go toward the Annual Participation Charge, which will reduce the monthly payment by \$5 per month for the first year. A Down Payment will not be required at renewal. Both the Down Payment (if applicable) and the first monthly payment are due on the Date of Enrollment. Remaining monthly payments will be automatically charged on the Billing Day of each month going forward. For months that do not include the Billing Day, payments will be charged on the final day of the month. The Billing Day is the day of the month of the Date of Enrollment (example: If the Date of Enrollment is October 24th, the Billing Day would be the 24th). The payment method used for recurring payments may be changed upon client request.

Twin Peaks reserves the right to determine acceptable methods of payment.

Renewal

The Health Plan agreement is for one year and will automatically renew on the anniversary date of the original enrollment. We reserve the right to change the terms and conditions (including pricing) of the Health Plan at renewal. The contract that a Health Plan will renew to will be available at least 30 days before the Renewal Date. Upon automatic renewal, payments will continue in the same manner as was previously established (i.e. monthly payments or annual lump sum) and will access funds from the same account, unless otherwise specified.

Health Plans set up on lower monthly payments during the first year (due to a Down Payment) will renew to the full-price monthly payment associated with that Health Plan at renewal.

Clients who do not want a Health Plan to renew, would like to renew to a different Health Plan, or would like to change from annual or monthly payments must contact the clinic 30 days prior to the Renewal Date. Twin Peaks reserves the right to not renew a Health Plan at their discretion.

Puppies/kittens will renew to adult-pet terms and conditions at renewal.

Unless otherwise requested, a Dental Enhanced Health Plan will automatically renew to the corresponding Health Plan on the Renewal Date (i.e., a 90% Dental Enhanced Health Plan would automatically renew to a 90% Health Plan, and a 50% Dental Enhanced Health Plan would automatically renew to a 50% Health Plan).

Not Transferable

Health Plans may not be transferred to any other pet or client. If a pet changes owners, the owner that signed up on the Health Plan remains responsible for payment of the Annual Participation Charge.

Cancellation or Death

In the event of death, euthanasia, or early cancellation, the client is responsible for their remaining Health Plan balance. If the Annual Participation Charge was paid in monthly installments, the client may either continue with the monthly payments until the end of the contract year or pay the remainder in one lump sum. If a Dental Enhanced Health Plan is canceled and dental services have not been used, the difference between a Dental Enhanced Health Plan and a standard Health Plan will be refunded or not collected.

Waiting Period

Once any Health Plan is cancelled or not renewed, there is a mandatory one-year waiting period before that owner/household may sign up that pet on a Health Plan again. During that waiting period, that client will pay retail prices for services performed on that pet.

Pre-existing Conditions

Pets with Pre-existing Conditions may only enroll on the 50% Health Plan or 50% Dental-Enhanced Health Plan. Pre-existing Conditions are any condition for which the pet has already received medical advice or treatment from Twin Peaks or another veterinarian prior to or on the day of enrollment on a Health Plan. Twin Peaks reserves the right to determine if a pet has a Pre-existing Condition.

Unmanaged/Unresolvable Health Conditions

Pets on the 50% Health Plan (or 50% Dental-Enhanced Health Plan), who have an Unmanaged or Unresolvable Health Condition at renewal, may renew to the 50% Health Plan (or 50% Dental-Enhanced Health Plan) but cannot renew to the 90% Health Plan (or 90% Dental-Enhanced Health Plan).

Pets on the 90% Health Plan (or 90% Dental-Enhanced Health Plan) may renew to the 90% Health Plan (or 90% Health Dental-Enhanced Health Plan) with any Health Condition.

Declined/Missed Payments Fees

Health Plan payments plus any outstanding fees must be paid in full on the payment due date. A Health Plan will incur a \$30 fee each time it is not paid to current on the payment due date (including resulting fees for this or prior months).

Health Plan Services Available

Health Plan services will not be performed on a pet until all of the client's accounts for all of their pets at Twin Peaks are paid up to date. This includes the payment of missed payments and fees as outlined above.

Health Plan Cancellation

In the event of a missed or declined payment, the client will be notified. The client will have 90 days from the date the payment was due to bring the account up to date. This includes the payment of missed payments, declined payments, and fees as previously outlined. If the account is not paid to current after 90 days, the Health Plan for that pet will be cancelled and will be subject to the policies regarding early cancellation as outlined in this contract. Upon cancellation, the remaining Health Plan balance (including resulting fees) will be due.

Collections

Health Plans not paid to current 90 days from the date of the first missed payment will be sent to collections.

Aggressive/Dangerous Pets

At the discretion of the veterinarians, Twin Peaks reserves the right not to see, treat, or care for dangerous or aggressive pets.
